

Congratulations to Dave Eairheart,

our Man of the Month

for September 2013.

September "The Friendliest Lodge There Is"

## Administrator's Message

The "Fall" (if you can call it that in Florida!) is upon us and we look forward to our wintering friends return. They will be starting to come back in mid to late September and early October, so make sure you give them a hardy "Welcome!" when they do arrive.

Some things to remember for this coming season and for the remainder of the year, come to think of it:

1. Remember our Expansion Donation Program. It will be an expensive venture to erect the enclosure on the concrete pad that will be installed shortly

and we need you to help with that project. Remember, we will probably go to non-smoking lodge when that new room is done and the lodge will be a much more appealing one to new and non-smoking member when that happens. The more people that contribute, the less time it will be until the project is complete.

2. We do not have an over-abundance of parking at the lodge. With the snowbirds return, there will be many more cars at the lodge looking for parking spots. Don't take two spots when you park. Don't park so close to the car next to you that they need a shoe-horn to get in the their car. And, last but not least, when you get in your car after you leave the lodge, be considerate of those parked next to you. Don't bang up their doors or hit their car when you back out. If you do, be considerate enough to let that person know you made a "boo boo", and give them your insurance information instead of just driving off.

3, Your Moose Membership dues are coming due. See the box on the right where we have made it easier for you to make your payment.

## **Governor's Report**

Where has the time gone, this year is almost over with. With that said, the next few months will be busy with some great things. Make sure you check the calendar every month.

2013

Thank you to the WOTM for their First Responders dinner. Would

also like to remind everyone to come out and support the WOTM with their raffle on the TV.

A special mention to our Man of the Month, Dave Eairheart. Way to

go. Make sure you come out for our Queen of Hearts, the pot is growing. NOSH Night, again, was a great night with great food and fun. Make sure you

come out, it's a great way to meet new friends. Thank you to the Moose Riders for a great Rib Dinner and a great night of Moose Races.

Would like to thank Lauderdale Lakes for visiting our lodge.

Thanks to all our members, we were able to send our Endowment of \$1061.50 for the first quarter.

Don't forget to attend our District meeting on September 14, at our Lodge. A District Picnic at our Lodge will follow. Hope to see everyone there.

Fraternally, Ken Lipp, Governor

# **PAY DUES ONLINE**

Save a stamp, save a check and get your new Moose Membership card faster! The Lodge has added a <u>secure link on our website</u> to Moose International for dues payment.

Click the yellow & orange "Pay Dues Online" button, enter your credit card information, and it's a done deal. I can do it in the office that way too, if you do not have a computer or are not computer literate.

Larry Brown, Administrator

#### Administrator's Message continued...

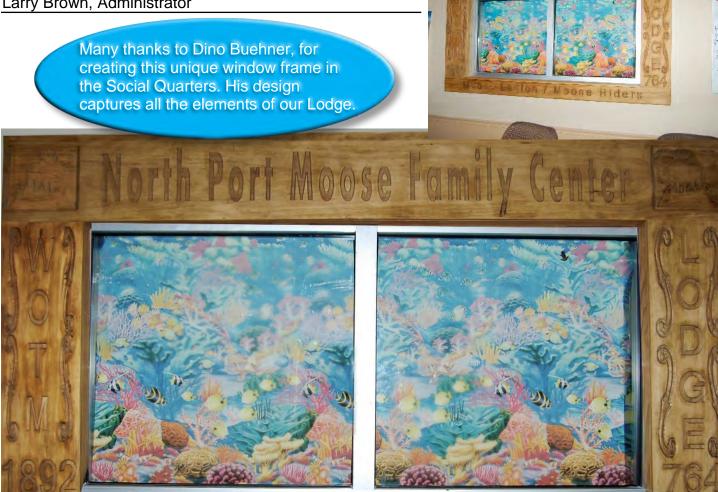

4. Ceiling tiles are still available and for sale. If you would like to buy one, see the bartender, Governor, or Administrator, and let them know what you would like to have on it. Pay for the tile and you will be "up in lights". What is the price? \$25 for a 2' X 2' tile and \$50 for a full 2' X 4' tile. The price for extra graphics other than just names and dates will be \$75. Take a look at the tiles already up for ideas for your tile.

5. Remember, the Newsletter is not mailed out any longer. It is online at www.northportflamoose.com. On the website sign up for free delivery of the newsletter to your computer. I will make an effort to have some calendars available out in the hallway but you are missing a lot of information that is available in the rest of the newsletter. Take notice of the slideshow that is on two of the televisions in the Social Quarters. A limited amount of information available in the newsletter is on the slideshow.

I am here in the office and the door is open for you. If you have a comment, question, or gripe about the lodge, let us know. Don't sit out in the Social Quarters and make those comments and hope that

it will get back to me or the Governor or Social Quarters Manager. They may not and the situation may never be addressed!

AJ's Jukebox Karaoke has been a lot of fun. If you haven't been there, fair warning... it is loud and proud from 5:00 to 7:00ish. It is not about your singing ability, it is about having fun and singing along with the jukebox. See our website (www.northportflamoose.com) for some of the pictures from this activity. It is held the first, third and if we have one the fifth Tuesday of each month. Come and see our Governor Ken Lipp

sing... *I Love This Bar*. We have maracas and tambourines to play and microphones are passed around the social quarters. This is also our taco night so come out and have some fun.

Paint Stick Bingo on Mondays is doing fantastic. Thanks to all that come and participate in this game of chance. Shawn is making homemade pizzas on Mondays now that are delicious. Order dinner and play some Bingo with your friends.

The winners of the 50/50 fund-raiser at the recent Kill the Keg Party, **Bill and Deb Humphries**, donated their prize back to the Lodge's Expansion Fund.

Surprise! We still need donations from the membership to get the patio built. If you can afford to donate \$100 or more your name will go on permanent plaque. And if you can't afford that much, we'll take what you can give, please. Every bit helps so make that donation now. If this sounds a little bit like a Public TV/Radio pledge drive, it is. Why? Because like Public TV/Radio, we're Member supported; but unlike Public Radio, we don't get a grant from the government, Moose International or anyone else to help us survive. So do your part and donate today. If everyone helps enough you won't see any more donation requests - at least about the patio expansion. Just give your check or cash to the Larry Brown, our Administrator. Any questions, talk to Jr. Governor Gene Herbst.

#### Florida Bermuda Moose Association District 24 Meeting & Picnic

As you may know, FBMA District 24 has a monthly meeting on the 2nd Saturday of every month, with the location rotating between the various Lodges in the district. This month the meeting will be held here at the North Port Lodge on September 14 beginning at 12 noon. If you have never attended one of these meetings this month would be a good time to start. You'll meet new friends from other Lodges, learn about upcoming events at nearby Lodges that you may want to attend. And, since we are hosting the event, it would be nice if our members showed up in force.

There will be picnic after the meeting with hot dogs, hamburgers, etc. Hope to see a lot of of LOOM and WOTM members there for both events.

**Chapter #1892 WOTM Report** Thanks to everyone who made the First Responders dinner a great success. Tommy Moose dolls were handed out to the first responders for the kids.

Congratulations to Sherry Hensley who is our Woman of the Month for September

Please come to our Chicken Dinner on September 21st. This will followed by **Show me the Money,** the poplar game is back from summer vacation!
