Senior Regent's August Message

Pat Ballauer

For the first time, the Moose Fraternity did a variety of community service activities in Las Vegas in conjunction with our 2014 International Convention. There were five different programs you could volunteer to serve. Three Square Food Bank, the Salvation Army, St. Theresa Center, Outside Las Vegas and The Shade Tree.

Our Senior Regent signed up to help at a facility called The Shade Tree. On Saturday June 21 a bus took many volunteers to help sort clothing, do filing, work in the animal shelter, etc.

The Shade Tree is a secured facility for homeless women and children they do not live there, it is their social building. It is a rare facility as it also has a separate building that houses their pets that they can visit with a couple times a week.

After working sorting clothing they got to meet some of the mothers and children. Tommy Moose was there to greet the children, our volunteers gave the children coloring books, crayons and Tommy Moose. It was a very rewarding and teary time for our volunteers.

CONGRATULATIONS!

Important Information for All Members from of the 2014 International Moose Convention

1. All recommended General Law revisions were approved by the membership. Key changes that impact most Moose members and go into effect on August 1 include:

- a. The option of reducing the number of Lodge Officers. Currently, the General Laws provide for three Trustees to be on the Board. The revision gives our lodges the choice between the current officer configuration and reducing the number of Trustees from three down to one. Dispensation from the General Governor's Office is required prior to reducing the number of Trustees.
- b. Co-sponsorship between men and women. Members of the Loyal Order of Moose can now sponsor women into the Women of the Moose, and vice versa. Despite this change, the sponsorship rules still require an endorser from the lodge or chapter, as well as the review and approval of all candidates.

Further, with the change in sponsorship policy, all individuals over the age of 21 are now considered candidates; therefore the guest policy of two visits before membership is required applies to all individuals, including lady friends of male members and gentlemen friends of female members. The only exceptions are spouses of current members, who still have no limits to the number of times they may visit.
- c. Expired Members can now re-enroll after six months. Expired members who do not wish to retain their prior years of service in the Fraternity may now re-enroll into a Lodge after six months. They must complete an application, mark it as a re-enrollment and submit it with all applicable fees. Only a Lodge vote is needed to re-enroll back into their previous Lodge; while an application review and Lodge vote is needed to re-enroll into a different Lodge.
- d. The Lodge hall or home may now be rented by members for business purposes. This provides another avenue for the Lodge to raise funds needed for operations. A dispensation by the General Governor is still required on these occasions.
- e. New General Laws books are already in production. Online updates will be available in 7 – 10 days in the General Governor's section of the Moose website (www.mooseintl.org)

2. The Director General Announces a new Supreme Council Lodge Grant Program

- a. The Supreme Council has designated up to \$1,000,000 per year for the next three years to fund a Lodge Grant Program designed to help Lodges repair, replace and upgrade equipment, facilities and systems at their Lodge homes. The Grants, which do not have to be repaid, will be distributed in amounts ranging from \$500 - \$25,000. This money cannot be utilized to pay taxes, past bills, loans or other commitments. The goal is to make our Lodges more attractive and functional for current and prospective members. Applications may be submitted starting August 1 with a cut-off date of October 31, 2014.

3. A New Member Orientation Program will be made available in August

- a. The program, complete with a new 15 minute video, was previewed during several breakout sessions during the International Convention. Also to be included are video presentations of the Lodge and Moose Legion Rituals.
- b. The entire package, including outline, scripts, videos (DVD format), etc. will automatically be sent to all Lodges in August. The video will also be posted to the Moose International YouTube video site by the end of July.

Administrator's Message

What an exciting time to be a member of the North Port Moose. I would like to start by thanking everyone of the members who have supported the Lodge in the past and continue to. Second I would like to thank all of the volunteers who put their time in tending bar working in the kitchen and doing all the other things around here that keep us moving forward. Thank you Laney, J, Heather, and our newest additions Kelly, Jessica and Tina. I honestly think we have the best bar staff around!

The kitchen volunteers are also always striving to make your experience at the North Port Moose second to none. Thank you Chef Rafael, Eddy, Sandy and again Tina!

I took on this challenge the the first of the year and what a challenge it has been. Over the last six months we have tried to address some the issues that have kept us from growing. Back in February we became a non-smoking lodge, while this was and still continues to be a controversial issue, overall it has been an overwhelming success. Our membership has grown to 615 male members as of this posting. The foresight of the previous board of officers deserves all the credit for this! Thank all of you!

Next we addressed some of the issues in the kitchen, with input from Chef Rafael we purchased several thousand dollars of new equipment for the kitchen. While more is needed we are now able to serve the members restaurant quality meals at lodge prices and get the meals out in a more expedient manner.

If you have been in lately, we recently stripped everything from behind the bar and covered the floor with a rubber matting that can be swept and mopped on a daily basis. This job started at six in the morning and was mostly finished by the time we opened at noon on Sunday. Not only is it cleaner its easier on the bartenders feet and believe me on the busy days they notice the difference. Thank you Kevin, Mike, Jim, Benny and Terry! I almost forgot Theron, Eddy and Jessica who were here until one in the morning removing everything behind the bar so the guys could get it done the next morning. Thank you too!

On the same day this took place Community service chairman Bill Kellerman organized a group of volunteers (they're on the front page) to clean a mile section of the road in front of the Lodge. Thank you Kenny, Al, Paul and Terry!

Last but not least I would like to thank everyone who has pulled me to the side and given me words of encouragement. This job can be overwhelming at times and without the support of the membership and the help and guidance from a good board of officers it would be impossible. So now that the thank-yous are out of the way I would like to say that without the help of volunteers our Lodge would not be moving forward like it is. I encourage everyone to step up and be a positive force to help us be even better. We can always use more help and it take everyone getting involved. Even if it's just sharing your ideas, attend meetings, give your input and help us become the best Moose Lodge in the fraternity!

Fraternally, Dave Folk, Administrator
