Senior Regent's Message

Star Recorder Angie Dileo and I attended the International Moose Convention in St. Louis in July. We attended meetings that included speeches from our Grand Chancellor and Grand Regent, learned about the importance of membership retention, the Safe Surfing program, and included recognition of the new College of Regents and Star Recorders. Conventions are an important way to promote fellowship, new enthusiasm, and ideas for our own Chapter.

It's time for our Back To School Supply Drive, for which we are working with the Back To School Resource Fair of North Port. All donations are for the North Port students, grades K-5. There is a box for supply donations in the entryway along with a list of supplies needed. There are also monetary donation boxes around the bar. Got change? Give a little, help a lot! Donations need to be collected by August 6, so please don't delay!

Casino trip Saturday, August 27! There is a sign-up sheet on the wall in the entryway for our next fun

Administrator's Message

Ken Lipp

It's been a hot and wet few months but the city's new parking should be started pretty soon which will help with parking on those rainy days. But I would like to thank our members who have continuously supported your Lodge. Good things are on the way.

Guess what is happening soon... "Are You Ready for Some Football". Make sure you come out to root for your favorite team and enjoy Wayne's Sunday specials.

Our building fund is coming along. Still a ways to go but with your support I know we can do it. Thank you to all who have helped us along the way.

Make sure you come out for Queen of Hearts on Wed. with the drawing at 6:00. Meat Bingo at 7:00 on Thurs. night. Always check the calendar for any and all upcoming events. Make sure you come out on Fri. for our Prime Rib and Fish night and to our Karaoke.

Remember to be proud to show your Moose card.

Fraternally, Ken Lipp

Governor's Message

Gene Herbst

The International Moose Convention was held in St. Louis from June 30 to July 5, Administrator Ken Lipp and I were in attendance representing our Lodge. I won't go into all the details, but North Port 764 was recognized several times for our Membership and Moose Legion contributions to Moose International. Of course, Kenny and I don't want to blow our own horns, but we would be happy to tell you if requested. It was an excellent Convention filled with informative meetings.

One of the major changes coming in 2018 will be the spin off of the Moose International Legion organization to have their own Convention separate of the Moose International Convention. More to come on that as we get information from Moose International.

On a sad note, Brother Paul Hedrick fell in his home and broke his hip last week and is currently recovering after surgery. Bob Kurtz was taken to Sarasota Memorial will breathing problems, and Art Johns had a mishap with his motorcycle and was airlifted to Lee Memorial in Fort Meyers. As of this writing, everyone is doing ok. Keep them in your prayers.

I want to personally thank all of our local Moose members for supporting our lodge during the off season, and once again if you have ideas or suggestions to make our fraternity a better place to socialize, I will listen.

Fraternally, Gene Herbst

Woman of the Month

Our Woman of the Month for August is **Angie Dileo**. Angie is the Recorder for the Women of the Moose and has earned the designation of Star Recorder. This position demands a great deal of knowledge and responsibility and requires many hours working on Chapter bookkeeping, reporting, and membership records. She is an active volunteer for all of the many Women of the Moose events and we would be lost without her. She deserves much praise and recognition for all her hard work.
