"The Friendliest Lodge There Is"

2019

Terry Seal

From the Governor

Brothers / Chapter Members

May was a very busy month your new lodge officers was installed and we hit the ground running with events and planning new events for the up coming year so please watch the lodge bulletin boards and calendar

Lodge improvements are under way: new HVAC systems and new ceiling tiles have been installed to make our lodge better for our members. Other improvements are coming soon. A new thermometer will be going up to show our members on the planned changes that are coming and the time frame for these projects.

We are still looking for volunteers to help us with the lodge improvements, so if you have any time at all to help us your efforts keep the costs down; please see any officer or sign up on the volunteer sign-up sheet. We could not make these things happen without our volunteers, thank you for all you do to help improve our lodge and to our members who come in and support your lodge. Thank you.

I can't say enough about the members who showed up and spent three days working on replacing the ceiling tiles in the social quarters and painting the grids. This was a dirty, hard job that I hope all of our members will notice. Please thank Fred Leonard along with many of your board of officers for all their hard work to make these improvements in our lodge.

We are looking for new ideas for fund raising events. If you would like to share any ideas with us that may be a good way for us to raise money and be fun for our members, please see any officer.

In closing I want to thank all of our members for your continued support; come out to the upcoming events that the Lodge/Chapter have planned. Our goal is to give our members something they will enjoy. We can't do it without our members support.

Fraternally,
Terry W. Seal Sr. Governor

Women of the Moose

And they're off.....

Not the horses at the Kentucky Derby, but your new Board of Officers for the 2019/2020 Chapter year.

May is an excellent month for getting new members and new ideas into our Lodge Home. Our first meeting was very successful and well received; we raffled off a Coach Purse which was won by Kristie Frein – Congratulations Kristie – so glad you came to the meeting. Governor Terry Seal, Sr. also spoke to us about participating in events and working together as a team with the men. He was very informative and brought new ideas and energy to our meeting. We had a great welcome reception for our new members (which will be held at every first meeting of the month) and we welcomed 3 new members to our Chapter. Thank you to all who attended.

Our Lodge had a great turn out for the District meeting this month, it was great to see so many in attendance at this meeting. We look forward to working with each and every one of you.

We will be holding a breakfast on June 16 for Fathers Day, from 9:00 AM to 11:00 AM and will be free to all dads who are members of Lodge #764, all others will

pay \$8.00. All food will be cooked and prepared by the WOTM (we need your help). Also we will be having our monthly activity night on Saturday June 22 – the theme will be “Our Home Town”. Look for information on the board and in the lodge – this promises to be a great event.

Just see anyone at the lodge and they can tell you how to volunteer, or drop a note in our new mail box which is at the front entrance. Our success always depends on the membership. Thank you for reading and helping us support our seniors at MooseHaven and our children at MooseHeart.

Sincerely, Brenda Seal, Senior Regent

Coming in June, the lodge has more fun events! Starting off with the 1st of June, Mega bingo at noon followed by the men’s breakfast from 9-11 on Sunday, June 2.

On June 15, we have our Hawaiian Luau dinner and dance special. Tickets will be on sale at the social quarters starting June 1.

For all you golfers, the District golf outing is June 22. Please call Venice Moose Lodge for all your information! We need some volunteers for painting the outside lanai floors June 23.
