JANUARY

"The Friendliest Lodge There Is"

2020

From the Governor

Brothers / Ladies:

I hope everyone had a great Christmas and a happy and safe New Year. With the new year here we have a lot of events planned and we need our members to come out and support

these events. We need to raise a lot funds to continue with the remodeling of our lodge. If you have not been in lately you need to come in and see the improvements that have already taken place. All new insulation has been placed in the ceiling and new ceiling tiles installed. We replaced all the carpet and floor tile so things are looking very nice.

I will not give a list of events as that will be covered by our administrator but I can't stress enough the need for our members to please come in and support your lodge.

I also can't say enough about all the volunteers who have come out to help. There isn't a price on the kind of support that we have in our lodge. We could not do these types of things without you. The labor costs we are saving helps us do more of the improvements that are sorely needed. You can only defer maintenance and repairs so long before they cost even more money. We still have a lot more to do and we still need a lot more help so please if you can help in any way please see me or any officer give us your name and phone number and I promise I will call you. We sent out a work planner if you did not get it please let me know we may not have your e-mail address.

The Lodge's general membership meetings are the second and forth Tuesday of each Month at 7 PM. These are very important meeting and we need members to come out and participate. Meetings only last about 1/2 hour or so please take a few minutes

Tis the Season!!!

January has arrived and I am happy to report that the fundraisers in November and December were well attended and much needed funds were raised. Thank you to everyone who came out and made a difference. We the board would like to take time to say a special thank you to Tracey for your help at the Pound Auction and everyone else who participated, we had so much fun. Also, a big thanks to everyone who helped with wrapping toys and breakfast with Santa.

and find out what's going on in your lodge or let us know about something you would like to see or an event you may want we all have something we could share.

Elections are coming up soon. A nominating committee will be formed soon and start meeting in early February. If you are interested in running for an office please speak to any officer; you'll need to submit your name on a form along with the office you wish to hold. But please remember don't raise your hand if you can't commit the time and effort it takes, and this means time and going above and beyond. We have a great lodge and a lot of great members. There is nothing we can't do when we work together as a team .

If you cannot lend a hand maybe you can help with a donation; we still need about \$40,000 to make our goal for the lodge improvements. Any amount will help us to meet are goal. We don't want to borrow any money so we are relying on our membership. I know in the end we will have a great lodge home we can all be proud of so help us get over the finish line.

Fraternally, Terry W. Seal Sr.
Governor
