"The Friendliest Lodge There Is"

2020

From the Governor

Terry Seal

Brothers / Ladies:

As we close out the month of June I just want to tell every member of our great lodge thank you for allowing me to serve as your Governor for the past two years. I have met so many good people and made a lot of lasting friendships. We as a lodge have made so much progress in moving our lodge forward and everyone of you know that a leader is only as good as the people he surrounds himself with. So thank you to all of the board members that have taken their time to make our lodge the very best and all of our great members for your continued support of your lodge.

July 11 we will host another mega bingo for our lodge starting at 11 AM, please come out and support your lodge.

I want to thank all of our great bartenders, waitress staff, and kitchen staff for all you do to support our members and our lodge—you all are the best.

With the election now behind us and new officers in place let's all support them in the coming year. As a lodge we will continue to grow; we need new ideas for activities from our members for our members. If you would like to see something new that we could bring into the lodge, please see any lodge officer

Membership meeting are the second and fourth Tuesday at 7 PM. Please come out and support these officers and your lodge. Moose Legion meetings are on the fourth Tuesday at 5 PM. We need more Moose Legionnaires to come out to these meetings.

I want to thank former board member Gene Herbst for all his efforts and support these past nine years; he deserves a rest. Gene has taught me a lot over the years. Even though he is not serving he will still volunteering, and I do have his phone number in my phone on speed dial. So thank you, Gene, for all you have done for our lodge and our members.

From the Senior Regent

Brenda Seal

Greetings everyone, and can I just say "COVID"? Everyone agrees that It has been a frightful year, with so many ups and downs that we are all pleading for some sense of normalcy (whatever that is). We try to get on with our daily lives and find a new routine, but there doesn't seem to be any "normal" in our lives anymore. Trying to protect the ones you love and yourself can really be difficult, I know all too well! But we are Americans and we are steadfast in our beliefs and our faith, we will find a way to get through this and perhaps someday actually make jokes and think it is funny---just not today and probably not anytime soon. We are all wondering what is next?

I know for me, it is the end of my term as Senior Regent and time for me to move on, but not before I say my thank you's and send my best wishes. To Ann Mell, Sr. Regent Elect; I wish only the best to you as you begin your journey for the next year. It is my plan to support you and try to help as much as I can as your Jr. Graduate Regent. You are ready and able to take this position and run with it....You go girl!

To the remainder of the new Board, Charlene Gannon – Jr. Regent, Becky Brooke – Recorder, Cinns Rough Surface – Secretary/Treasurer, You ladies have a great leader in Ann Mell, give her your

I also want to thank Mike for putting up with me over the past two years. I know I call him every day so I think he is looking forward to a rest from my voice everyday. We don't always agree on everything, but I still think you do a great job and do a lot of things for our lodge behind the scenes that members never see. So keep doing your job because I am still only a phone call away.

In closing, again, thank you to all of North Port Moose Lodge members and members of Chapter 1892 for all of your support for our lodge. You are the best. God Bless.

I would like to thank our outgoing governor, Terry Seal, for the outstanding job he has done over the past two years. His ambition and drive has taken your lodge to the next level. I would also like to thank his board of officers for supporting him and working hard to see his ideas come to life. Your lodge looks great and a big thank you to the volunteers who made this happen. I am working to get the app up to date but not all businesses are open up north. Please be patient.

This month, because of the Independence Day holiday, we're moving MegaBingo from July 4 to July 11 with a new start time of 11 AM. Next month we'll resume MegaBingo on the first Saturday again with that new start time of 11 AM. Later that same Saturday, we're hosting a golden oldies dance from 6 - 9 with the kitchen open from 5 - 8 offering the regular menu plus the specials board.

Line dancing is going great on Wednesday from 6 - 8. District meeting on July 11 at the Venice Moose starting at noon. More events to be announced in the near future. I would also like to thank Chef George for doing a great job with the new menu. I hear everyone likes his cooking. In closing, as I sit here getting the newsletter together, I keep thinking we are in August with this heat! Stay cool my friends

best and she will succeed.

As a reminder, on July 18, the women will be serving up a spaghetti dinner from 5 -7 PM with games starting at 7:00. Please watch the tables for flyers and upcoming info. We will also be serving meals "TO GO", so feel free to call and put your order in and we will have it ready for you. Order early so we don't run out.

Ladies, we have lost some very special people from our lodge this year and we have draped our charter too many times, but we will always remember those we lost; with love and affection. Say a prayer for the loved ones who are experiencing this loss.

One last note: Probably the most important to yours truly, Thank you Terry Seal, you are the wind beneath my wings and without you there is no way I could have made it through this last year. I am blessed to have someone so wonderful, so humble and so loving to be my soulmate. I know that the lodge will miss your Governorship (LOL).

Kindest Regards,

Brenda Seal, Sr. Regent
