"The Friendliest Lodge There Is"

2020

From the Governor

Brothers and Co-Workers:

Terry Seal

As we take the steps to reopen we want to welcome you back. And I believe you will notice a lot of changes as you walk through the front door.

While we were closed some very hard working volunteers were busy remodeling the whole inside of your lodge from ceiling to the floor. It's all new and fresh. The list of volunteers is very long and we could not have done it without everyone's help. Thank you for all you have done for our lodge and the membership.

I will leave the calendar planning to the administrator but I do want to announce that on June 6, starting at 12 noon, we will host mega bingo. Early birds will start at 11:30 AM and the kitchen will be open with lunch specials and menu items. Please come out and join us for some fun and a chance to win a few bucks.

The Covid-19 closing was very hard on our lodge financially. We have taken a big hit and with all the remodeling costs its made things very tight. I am not going to ask each and everyone of you to donate but if you would like to help in any way, the lodge could use every penny to get back on sturdy ground. I know that we can't survive without your continued support.

The list of candidates for office will be announced at the membership meeting on Tuesday June 9 at 7 PM. Election of new officers will take place on Tuesday June 23 from 5 until 7 PM. Please come out and vote and support the new board as we all try and move our lodge forward.

My time as your Governor has come to the end. For the past two years we as a board have worked very hard. And in that short amount of time we have paid off the mortgage and rented the office space next door as our office and meeting room so we could enlarge the inside of our lodge. We have a new

From the Senior Regent

As our year draws to a close and we begin anew, let's reflect on where we were and where we are. Our world has changed and most of us are following suit. My friend of 40+ years and I were reminiscing and saying how much we miss the good ole days. I think most people feel the same way right now.

Brenda Seal

I would like to welcome the new Board of Officers and thank all of the current board members. I have enjoyed being the senior regent this past year and wish everyone the best.

Keep your eyes on the tables and boards for our upcoming dinner on June 20.

Kindest Regards, Brenda Seal

HVAC system installed and have completely remodeled the inside of our lodge. So, as I close out my time as your Governor, I want to thank each and everyone of our members for your support. I have made some very good friends over the past two years. Some of you I have your phone numbers memorized because I have called on you so much, but you never turned me down and that's what it's all about. I also want to thank the WOTM for their support over the last two years, and my wife, Brenda. I know as senior regent she worked very hard and their board held events every month to support the children at MooseHeart and the seniors at MooseHaven. Thank you.

General membership meetings are on 2nd and 4th Tuesday of each month at 7 PM. The Moose Legion meets on the forth Tuesday at 5 PM. Also, on the second Saturday of each month at noon the Florida Moose Association, District 22, meets at a local lodge on rotating basis. June's meeting

is tentatively scheduled for June 13 at Punta Gorda Lodge #1693. District meetings give you a chance to learn what other lodges are doing in our district and you may want to attend the event at their lodge. Remember we are all in the for the same reason: MooseHeart, Moosehaven and fraternalism.

In closing, please remember that we need you to please keep your membership current. We never want to loose a member because every time that happens it means less support for MooseHeart and MooseHaven. I want to wish the new governor and board of officers the best of luck, and please remember this lodge belongs to our members. So please keep in mind when you vote: vote for what is best the membership and not yourself. *Fraternally, Terry W. Seal Sr. Governor*

Administrator's Message

Welcome to the lodge! It seems like such a long time since St Patrick's Day, March 17, when we were asked to closed! During that time, we took the opportunity to deep clean the building with many improvements that I'm sure many people have already noticed. That includes deep cleaning and organizing the kitchen and a new chef — George Smith. I do believe he will be a great asset to our future at the moose. Since our lodge is almost fully open, we have some functions coming up this month that you might enjoy. If you bring guests, please have them sign in at the front door! This is a requirement of Moose International. Additionally, your guests may not pay for anything and must leave when you leave. Please don't lend a guest your Moose card so they can make a purchase—that's not permitted.

We are going to start line dancing lessons June 3 from 6 - 8 PM. Classes are \$5 per person and the kitchen is open with our brand new menu. On June 6 we're having our grand opening celebration from 5-9 with music, raffles, and 50/50s. For all of our new members, we have orientation at 6:30 PM on Wednesday, June 17 at 6:30 PM. Then on Saturday, June 20, we're hosting a Florida Moose Association District 22 fundraiser: Mega Bingo at 11 AM and lunch is available. Lodge elections are 5- 7 PM on June 23 with installation of new LOOM and WOTM officers at 4 PM on Sunday, June 28. Almost forgot, we're having a "Past & Present Officers" dance on Saturday, June 13 with music by Jim Vallie. Be here for a great evening.

As many members know, our Moose Pilgrim and friend **Paul Hedrick** passed away March 14. The family would like to have a celebration of life for Paul on Saturday, June 27 at 2 PM. We sure do miss him.

Moose International will be having a "virtual" convention for the first time in the Fraternity's history. The virtual convention will occur on June 25-26, 2020 and any member with Internet access has the ability to participate in the live and taped sessions that are set to occur. We will be streaming the convention in the Annex meeting room. Voting for the proposed changes to the Moose General Laws is still scheduled to take place during this meeting. Loyal Order of Moose delegates will be required to register for this meeting in order to take advantage of this opportunity to vote. The General Laws proposals all revolve around the change to create a new and unified Moose membership where women and men have equal membership rights, privileges, opportunities, and a vote in Lodge business and activities.
